Welcome to the Radio Free Amsterdam program guide for July and highest greetings on Independence Day weekend. We're nothing if not independent and we're that way every day! I want to give special thanks for my health returning to what passes for normal, my daughter Sunny returning from the hospital, and my granddaughter Beyonce who turns 16 today. Happy birthday, baby!

Our new series *Big City Blues Cruise*, produced by Martin "Tino" Gross and hosted by his alter ego Martino D'Lorenzo at WEMU-FM In Ypsilanti starting in 1982 but just now transferred into the digital realm, continues on Saturday mornings followed by Linda Lexy's funky *Party Train*—both programs emanating from the Funky D Records studios in Detroit.

To hear our programming at its best, tune in to our 24/7 Stream and ride the music around the clock—just like a real radio station.
