It is with great sadness that we must report that the great William (Bill) Levy, better known to our listeners as *Dr. Doo Wop*, has left this earthly sphere for a more suitable location somewhere in space time, but his program will continue to run its course until we have depleted the storehouse of *Dr. Doo Wop* episodes at RadioFreeAmsterdam.org for the second time.

Our roster of blues deejays Bruce Pingree, Cary Wolfson, and John Sinclair, jazz hosts Leslie Keros, George Klein, and arwulf arwulf, R&B and soul jockeys Lucille DJ, Tino Gross, and Bob Putignano, and freeform artists Steve The Fly, David Kunian, and our flagship program, *The John Sinclair Radio Show*, all remain intact and in place, with a new feature this month on the *Roots & Branches* show that presents four episodes of Kim Heron's classic *Destination Out* program for WDET in Detroit taken from our voluminous archives.
