Radio Free Amsterdam continues to air our two hours of blues, jazz and related music each da every day, and offers a continuous fow of music by selecting the 24/7 stream option.

You may have noticed that a listener called Paul Paul sent me a thumb drive with 5000 reefer songs on it a couple of months ago, and I've continued to exploit this treasure trove of classic tunes on my own radio show this month.

Soul Lucille is back with new programs every week starting with #258 in August after a long hiatus due to family problems and some unfortunate health issues.

Pushing the 24/7 button on our home page will bring you hour after hour of Radio Free Amsterdam programming on end—just like a real radio station.
