Happy New Year! Radio Free Amsterdam airs two hours of original programming every day and offers a continuous flow of music on the 24/7 stream on our website, where you can hear hour after hour of our programming on end.

This month the John Sinclair Radio Show features two hours of poetry and conversation with New Orleans poet Don Paul and an investigation of his new album *Meld #1* with a variety of musical ensembles. The next two hours of the John Sinclair Radio Show are taken up with selections from the 4 hours of CDs of New Orleans classics and obscurities provided to RFA by the Maestro, Jules Bauduc from his personal collection.

All of our programmers and production staff contribute their work to this important project of the John Sinclair Foundation, offered free to the public

throughout the universe for the past fifteen years, since the formation of  
Radio Free Amsterdam on January 1, 2005.
