Our internet radio station carries on with two new hours of original programming every day and offers a continuous flow of music on the 24/7 stream on our website where you can click the button and listen just like a real radio station.

I was in the hospital for a month in March, then in rehab for a couple of weeks, and am presently recuperating at home. I got pretty far behind in my programming and just now have finally finished updating April. Then I'm skipping May and June to catch up and starting again next month with July 1st.

Linda Lexy is back in April with *Party Train* on Wednesday evenings, and *The New Orleans Music Show* with Tom Morgan is now heard Saturday mornings. Maryse Dejean from *Jazz from the French Market* has the month off and will return next month; for April we'll hear the late great Detroit deejay Ernie Durham in five episodes of *The Frantic One!* From WDET-FM in Detroit in the early 1990s.
